

# HAUNTED PHYSICS LAB

**October 28<sup>th</sup> – 30<sup>th</sup> 5pm – 8pm**  
**Rigge Ground Level – Physics Lab G16**

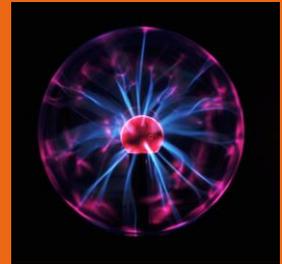

Come join us for our annual Haunted Physics Lab! From ghosts that appear when you wave a wand to a magic flying bat, there are plenty of reasons to attend the free event. You even get to meet our department “head”!

Hosted by the Creighton University Physics Department &
